Section D

[redacted]

Burdens

Number of Burdens: 3

Burden 1

[redacted]

Reserving always to the Superior of the lands of [redacted] the whole coal, mines and minerals in the said lands with power to work and win the same by any pits roads or Engines to be made and erected on and within said lands, they being to be liable in payment of surface damages to be thereby occasioned as the same shall be determined by two neutral men to be mutually chosen by the parties concerned.

Burden 2

[redacted]

(First) Reserving to my Over-Superiors of the ground the whole coal, mines and minerals in the plot or area of ground hereby disponed, with power to work and win the same by any pits, roads or engines to be made and erected on and within said ground - they being liable in payment of surface damages to be thereby occasioned, as the same shall be determined by two neutral men to be mutually chosen by the parties;

(Second) my said disponee and his foresaids shall be bound to keep and maintain the cottage and others in good order and repair in all time coming, and shall not be entitled to erect on the said plot or area of ground any other buildings whatever, except with the consent of me or my heirs and successors;

[redacted]

(Fourth) whereas for the use of myself, feuars and tenants, I intend (although I give no undertaking to do so) to form a road or street of eighteen feet wide, with footpaths five feet wide, immediately on the north of the plot or area of ground hereby disponed, with suitable kerb, runchannel and sewer, my said disponee and his foresaids shall be bound to pay and so free and relieve me of one half of the cost of the formation of said road, footpath, kerb,

[redacted] [redacted]

runchannel and sewer, so far as ex adverso of said plot or area of ground hereby disponed - the feuars on the north of said road or street paying and so relieving me of the other one half of the cost of such formation - as such cost shall be ascertained and determined by my Architect; And further my said disponee and his foresaids and the feuars on the north of said proposed street shall be bound thereafter to maintain said road or street, footpath, kerb, runchannel and sewer, at mutual expense.

Burden 3

[redacted]

tinted blue on the Title Plan, contains the following burdens:

That my said disponee and his foresaids shall be bound under their own expense to erect along the north boundary a fence of such material and of such construction and all of such to my own satisfaction.
